Breach of Purchase Contract : Refusal to Service the Car and Refusal to Carry out the 3 year 75,000KM service all of which is Documented / Complaint againstdr Martin Zimmermann CEO Mercedes Benz South Africa

They refused to carry out the 3 year 75,000km service in terms of the Contract and the Service contract. This is in contravention of various sections of the National Credit Act 34 of 2005 **and various sections of the** Consumer Protection Bill 68 of 2008 **and in direct violation of the** Constitution of the Republic of South Africa Act 108 of 1996 and its various amendments.

The Previous Commissioner Adv Mohlala was aware of the Complaint.

We have made repeated requests to Mercedes Benz to sort out various problems and to date no reaction.

We have also forwarded a Letter of Demand to their CEO Dr Martin Zimmermann a German National, and there has been no response to our Complaint.

It is clear that he has a no care attitude to the Problem and a total disregard to the Laws of South Africa or any of the Acts in place to protect the South African Consumer.

We are there demanding from them you the sum of R 250,000-00 (Two Hundred and Fifty Thousand Rands) damages and a public apology.

Additionally :

We think it is time that the NCC made an example of Mercedes Benz and levelled the Maximum Fine of 10% of their turnover plus a fine of R 5,000,000-00 on Dr Zimmermann.

They are also in **Contravention of Section 68 of the National Credit Act 34 of 2005** plus **a Armed Attack with Firearms on my home and placing the safety of my family at risk.**

Because of the Serious nature of their actions we have forwarded the case to the NPA, for Criminal Prosecution.

They are also in contravention of the FICA rules, and a separate Case has been opened, demanding a full FICA Audit.

They have has not responded to any of our emails, or requests for a meeting. We have been unable to get Dr Martin Zimmermann to answer any of our emails (see PDF File attached) and visit <http://www.nameandshame.biz/mercedes.htm> He hides behind a lady called Karola Block who blocks his calls and emails.
