

Sandton Cop paid R 20,00-00 to beat up Head of the Professional Engineers

Sandton Rambo Cop Warrant Officer Bruce MacIntosh was paid R 20,000-000 by Dr Martin Zimmermann CEO of Mercedes Benz to beat up Top Engineer at his home in Sandton. This was in Retaliation after he reported Mercedes Benz to the National Consumer Commissioner.

Eleven heavily Armed Thugs (R5 and side arms) with 5 Police cars, and no ID, held him up with his wife at gun point and forced them to open their safes at his home after gaining Illegal entry to the complex. The police Thugs stole their Legally licensed firearms together with the Contents of their Safes valued at R 500,000 – 00 which is fully documented. MacIntosh had a list of all their firearms and assets, and raided the house.

They beat them up and threw him into the back of a police van and drove him at high speed around Sandton over all the humps trying to injer him. This was witnessed by Mercedes Benz who stood outside while this took place.

They then threw him into jail, with no concern of his Medical Problem with his hip Replacement. They refused to allow him to call a Lawyer, or receive medical attention..

He was Falsely Charged with Murder and pointing a firearm at a Mr Rickie Mannie who was employed by Mercedes Bens and who had broken into his home 3 weeks before and stole his Computers, at Gun Point. This is all Documented.

The investigating Officer is a Corrupt uneducated black female with limited intellence who has never asked for Eye witness statements of has obtained an affidavit from either of them.

She has been harassing him for a bribe over the Telephone to make the case go away..

She has lied in her Docket (Investigation file/Diary) which we have seen word by word, and nothing ties up with the missing Affidavits or the Photographs we have seen of the Correct facts, and events of the day. The Affidavits she has filed all contain conflicting facts. There are three Criminal Charges filed against her.

In order to harassing him further they took his Driving Licence His Bar Coded ID and his Fire arm licences.

He has had to appear in court 5 times on a trumped up charge. The Sandton Police don't care in any way..

It is clear that this is the most corrupt and dangerous police force in the World. .

A Civil Claim has been Filed against the South African Police for 17 Million Rand
