Dear Owner / Resident,

11 July 2012

RE: SECURITY NOTICE JULY 2012.

As per the recent trustees security meeting it was agreed to have a cut off Entry Time for visitors into the Bellairs Brooke complex between 11:00 pm to 05:00 am. This is for security reasons. All Emergency vehicles and the S.A Police force will still have 24 hour access into the complex.

If any visitor needs to access the complex after these hours the resident should make prior arrangements with the security personnel and also provide them with the registration number of the vehicle that would require access. Please note access after 11:00 pm will only be granted under special circumstances.

This notice has been circulated to all owners and letters will be handed out by security to all tenants and visitors. The cut off times will also be displayed on the notice board.

Your ongoing support and co-operation regarding this matter would be appreciated as it is for your own safety and the security of your property and possessions.

Yours Sincerely,

WHITFIELDS
