

Police Contempt for South Africa and Our Courts.

The Seven Murder Accused Police Men in the Andries Tatane trial appeared in the Dock for their Verdict with Bullet Proof Vests and carrying their 9mm State Issued Z 88 Firearms. This is the Attitude of the South African Police. It is no wonder that the Magistrate found them not guilty. They may have shot him if he found them guilty. **BUT MUM'S THE WORD BY ALL IN SOUTH AFRICA**
